

# Home & Industrially Compostable Mailing Bags

## Why do you need Bioplast mailing bags?

Are you selling products online and looking for a more eco-friendly packaging solution? Our Bioplast mailing bags are a great alternative to plastic courier bags. Making one easy swap will reduce your plastic footprint with a plant based, compostable alternative.

**BIODEGRADABLE**

### COMPOSTABLE & BIODEGRADABLE

*The Bioplast film used to make these gloves is both home and industrially compostable (certified EN13432, ASTM D6400, AS4736, AS5810). We use 100% Bioplast film.*

**HOME & INDUSTRIALLY COMPOSTABLE**

### APPLICATIONS

*Perfect for ecommerce businesses, sending products via post or courier.*

**100% PLANT BASED**

### SPECIFICATIONS

*Fully customisable designs - size, colour, printing, self adhesive stirps, subject to MOQ*
