

# Home & Industrially Compostable Pet Waste Bags

## Why do you need Bioplast dog waste bags?

Our Bioplast material makes for a perfect solution for creating a more eco-friendly dog waste bag. As long as we have pets, we will have pet waste which needs to be collected and discarded. Our Bioplast pet waste bags are made from 100% home and industrially compostable materials.

**BIODEGRADABLE**

### COMPOSTABLE & BIODEGRADABLE

*The Bioplast film used to make these gloves is both home and industrially compostable (certified EN13432, ASTM D6400, AS4736, AS5810). We use 100% Bioplast film.*

**HOME & INDUSTRIALLY COMPOSTABLE**

### APPLICATIONS

*These can be made as individual pieces, on a roll, perforated, with tie handles, etc. Let us know your requirements and we will find a solution.*

**100% PLANT BASED**

### SPECIFICATIONS

*These bags can be made to your specifications and branding. MOQ will vary based on final design.*

## What are the Benefits

100% Home & industrially compostable
